# RELAXING THROUGH

The yearbook is put together to capture the fun and excitement of the school year. It is used to immortalize all the events of the year, both social and athletic. Most of all the yearbook is used to record history. It should be something we will be proud to show our kids in fifteen, twenty or even thirty years.

As students, we complain about getting up early and going to school. We complain about our parents telling us what to do and the rules they lay down on us. We complain about homework, and the weekends not being long enough. But what are we going to do after graduation? Within a few years, and for some a few months, we will crash head on into reality. We will step out into the real world. Don't rush that day. It will come soon enough. We should enjoy our high school days because when they are gone we can't go back. Until that day comes just KICK BACK, RELAX and say AHHHH !!!!

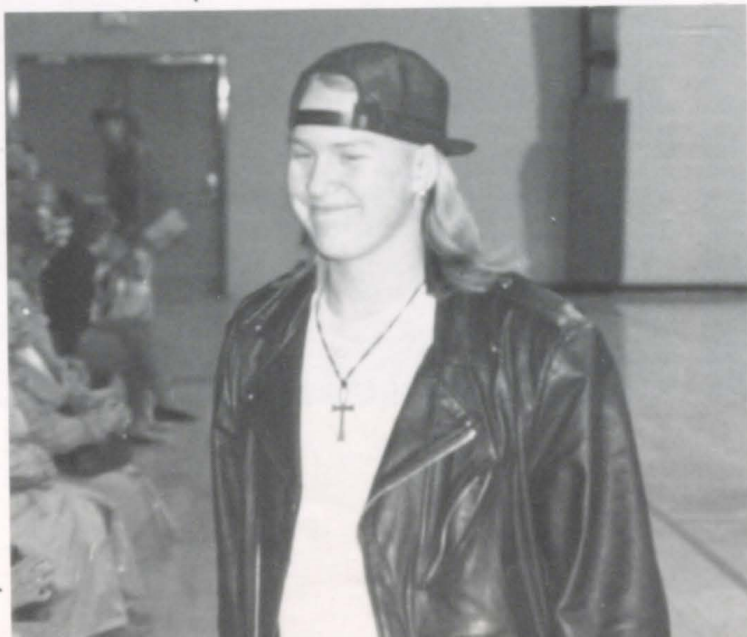

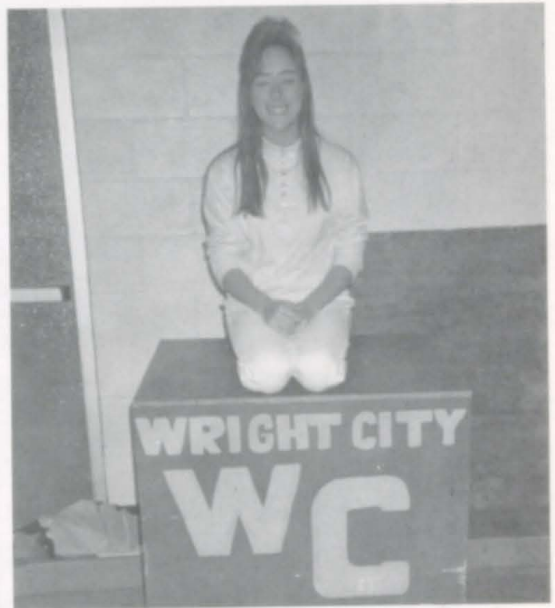

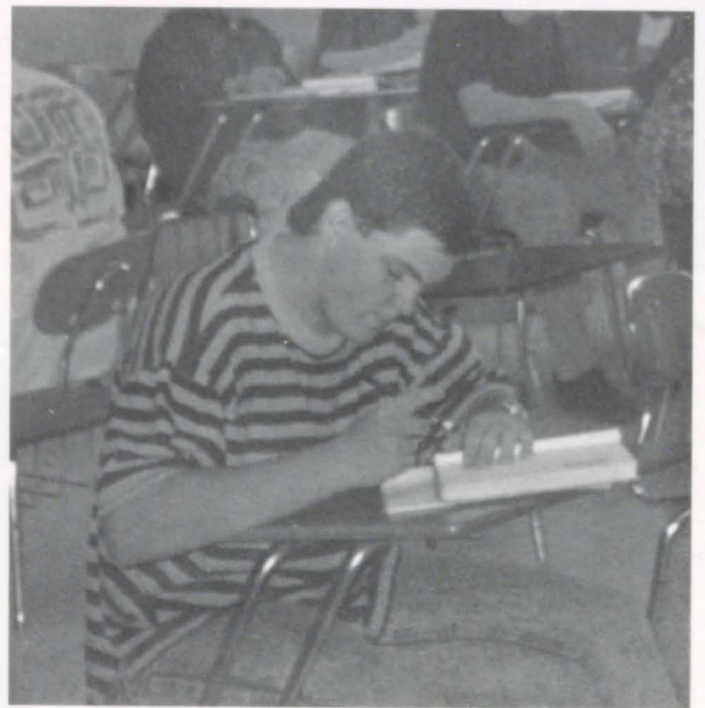

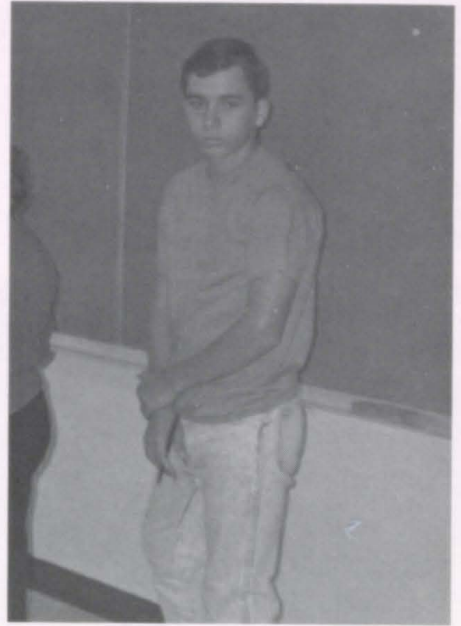

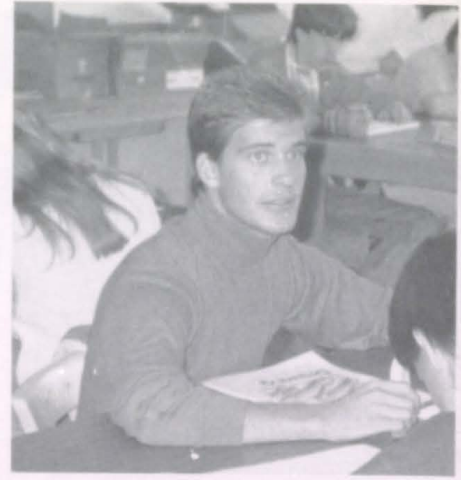

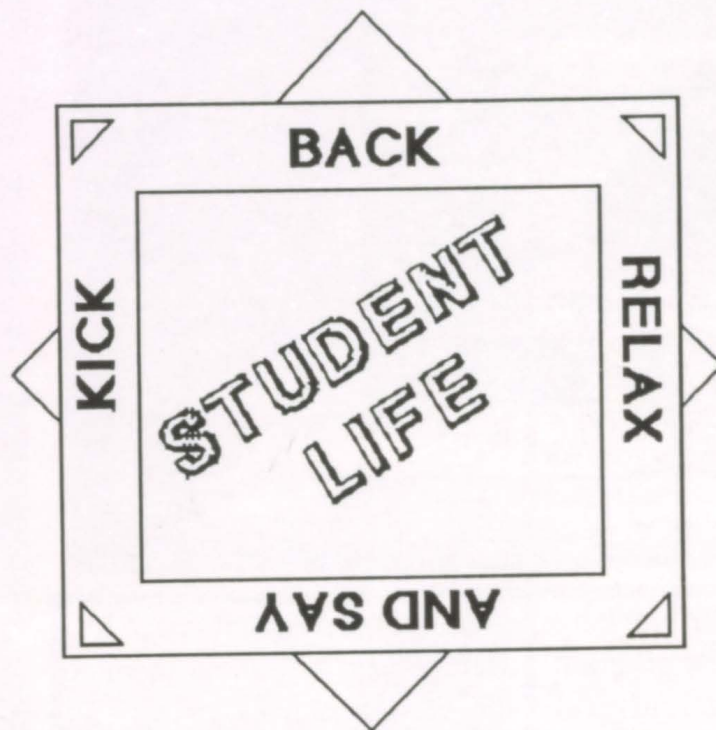

# ANOTHER YEAR

School officially started on August 26, 1991 with student enrollment at 292 compared to 240 of last year. Upon arrival, students noticed changes both inside and outside of the building. The full length windows that were once used in classrooms were replaced by new walls with just two center windows in order to become energy efficient. Smoking was banished from inside the school buildings, and the teacher's smoking lounge no longer exist.

Other changes included new classes in the curriculum such as Physics, Technical Math, and Anatomy. Classes dropped from the curriculum were General Math, Consumer Math, General Science and Basic English.

This year Wright City High School has a new program called the Agricultural Occupational Experience program (AOE). While taking part in the program students receive training to use in future career positions . In addition students also receive 1 credit for working 15 hours a week and 2 credits for working 20 hours a week .

David Cook, teacher in

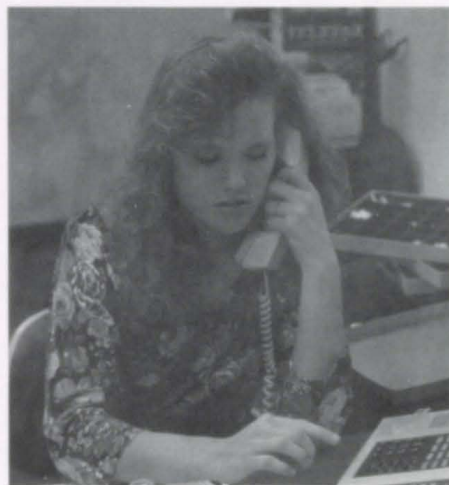

charge of the program says, " It's a really great program. I encourage a lot of students to join."

The contents of the course include good work ethics , expectations of employer and employee, and the study of good goal setting. Students learn that in the real world they will have to put a lot of effort into their job if they expect to keep it.

What do you like best about the AOE program ?

**Jason Fincher** - "It's a great program that allows seniors to take on responsibility and to get a first hand look at what the real world is like while attending school ."

**Jody Newcomb** - "I like the money and I get out of school early ."

**Patty Robinett** - "I really like working with the public ."

**Tammy Loyd** - "I like working with other people and making money ."

**Lori Missey** - "I like getting out of school early, so I don't have to close the restaurant."

**Michelle Mohr** - "I get to work with people."

**Aaron Holiway** - "I like making money during school hours ."

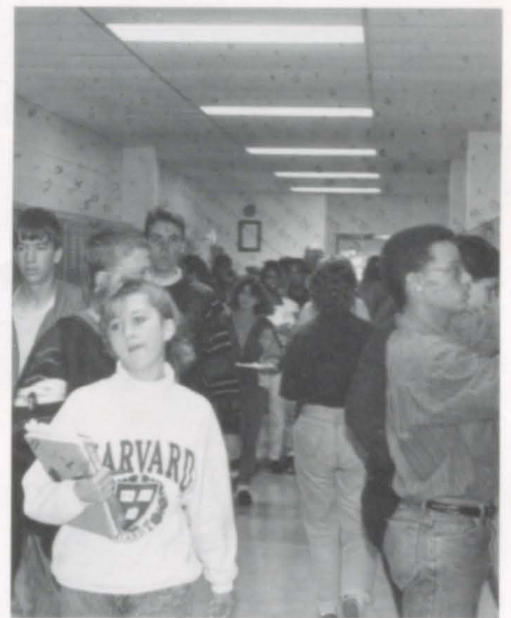

**Holly Forest** - "I like to get out of school early and training while I work ."

**Kim Perry** - "I get out of school early and make money and receive training . I like working with other secretaries and I have lots of fun ."

**Mike Rust** - "I like it because I get credit for school and get paid for going to work ."

When the bell rings at 3:00 p.m., Wright City High School students rush out the doors and to their cars, their rides, or their busses. Most people cruise around town like a parade. Some go and hang out at the 4-way stop in the middle of town.

Some students who are involved in extra curricular activities go to meetings or practices, while others go home and do their homework .

# KICK IT

Unlike other, more populated schools, any Wright City student who wants to drive, and can handle the responsibility, is able to. However, the student parking lot has adopted a new rule: front row parking is reserved for seniors only. This was decided by a vote of the student body.

The blood drive was held on September 13, 1991, which just happened to be a Friday. The goal was 85 pints and 80 were collected.

The FFA and FHA organized the blood drive this year. Mrs. Springman, the sponsor of FHA, thought the turn out was great considering the extremely high temperatures, which reached the 90's. The students who worked did their best, and it was a success because of their efforts.

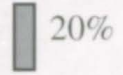

Mr. Cook, the sponsor of FFA said, "The blood drive was outstanding. There were 25 first time donors and 30 of the 80 donors were students."

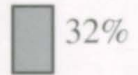

Which of these do you think is the most important ?

The Fall Fest Dance occurred on September 20th, 1991. It was sponsored by the Student Council and FFA. The dance was held outside in the student parking lot. Everyone stood around barrels to keep warm.

The candidates were: Freshman Gina McDaniels and

her escort Roger Tucker, Sophomore Becky Martin and her escort Kevin Schnarre, Junior Valerie Bote and her escort Bryan McMullin, and Senior Lori Missey and her escort Brad Toedebusch.

The candidates carried around a can for two weeks before the dance to collect money.

Every penny counted as one vote. The candidate who collected the most votes, or money, would be the new Fall Fest Queen. All money collected went to the FFA.

Senior candidate, Lori Missey, collected the most money and was crowned Fall Fest Queen 1991!!

# KICKING UP SPIRIT

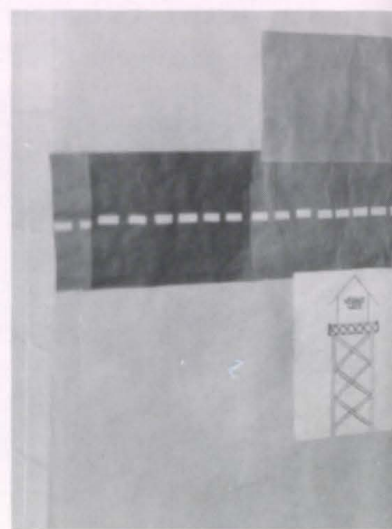

Spirit week of 1991 was filled with excitement and fun. The freshmen portrayed sports, the sophomores took a walk on the wild side, the juniors took a trip to Jupiter, and the seniors lived out a western way of life in the wild, wild west.

The students collected 4886 canned goods for the NHS

food drive.

Brought back by the seniors was an old friend, Roscoe the school mascot, who was held high and paraded around the gym.

The seniors, who won the trophy for the overall competition, were also awarded the spirit flag for the best spirit yell.

# ALUMNI HELP

The Alumni/Homecoming game was a big success this year as the varsity boys and varsity girls played the rough and tough alumni.

The starters for the alumni were Tom Nailor, Andrew Marley, George Mozee, Curtis Forest, and Korey Gerdeman.

For the Wright City var-

sity, the starters were Brian Bertke who had 5 rebounds, Maurice Kiner, Nathan Thomas, Dwayne Lewis who had 16 points and 7 rebounds, and J.T. Heideman. Rowe Harlan came off the bench and scored 14 points for the second highest of the game. The final score was 72-52.

# KICK UP SPIRIT

The varsity girls came out on top with a final score of 44-27. The starters for the varsity girls were Jennie Tremear, Jennifer Justice, Karen Cronk, Lisa Cate, and Heather Williams.

The starters for the alumni were Lisa Kleinschmidt,

Debby Wilding, Kim Fast, Lana Kenter, and Wendy Zuhone.

Davina Bradshaw led the varsity with 12 points, and freshmen Jaime Lowry had 9 points. The leading scorer for the alumni was Lisa Kleinschmidt who had 11 points.

The Homecoming candidates were chosen the week before Spirit Week. Four seniors and four juniors were nominated along with two sophomores and two freshmen.

The voting was done by the student body during the advisory period on Wednesday, December 11th. The coronation took place between the alumni basketball games on Friday the 13th. Bethany Ames, the president of student council, announced the winners, King Danny Boyle and Queen Lisa Cate.

The Homecoming Dance was held after the basketball games.

This year the Sophomores gave a Sweetheart Dance. The candidates running for Sweetheart King and Queen were Seniors Jennifer Justice and Herb Schell, Juniors Katie Smith and Russell Deatherage, Sophomores Heather Jones and Trevor Willingham, and Freshmen Gina McDaniels and Mike Schlipp.

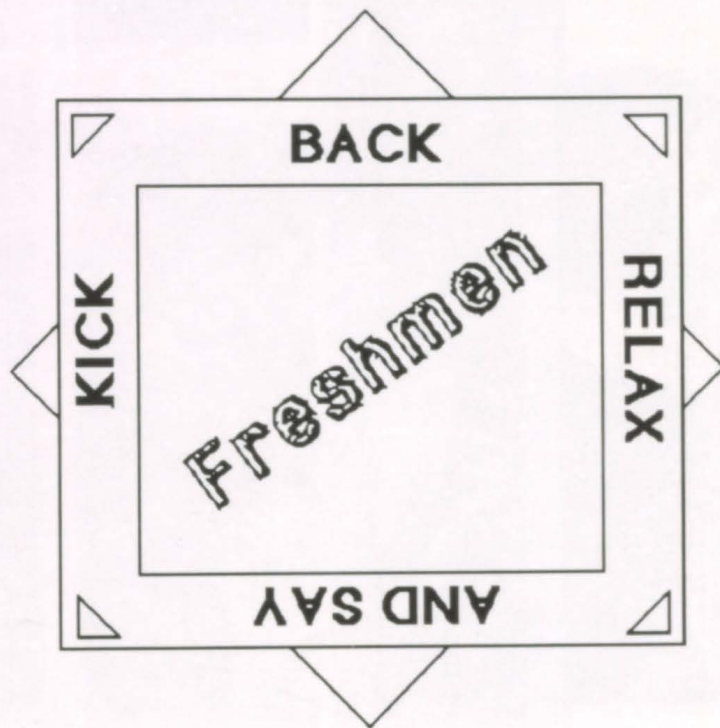

Each candidate carried around a can to collect money. Every penny collected represented a vote. Senior candidates Jennifer Justice and Herb Schell collected the most money and were elected King and Queen. The money collected went to the Sophomore treasury for prom next year.

## JUNIORS KICK UP FUNDS FOR PROM

The Junior class held pizza sales to raise the money needed to hold the Junior/Senior prom. A total of 252 pizzas were sold and over one thousand dollars was raised. The Juniors showed up Monday morning, November 4th, to make the pizzas in the school cafeteria. A little over half of the Junior class showed up early, and worked all day until the pizzas were made.

Senior Traits have been a tradition at Wright City High School for a long time. The senior class has always elected the senior to fill each trait. This year there were ties in two different categories. The ties were in "most feared" and "friendliest".

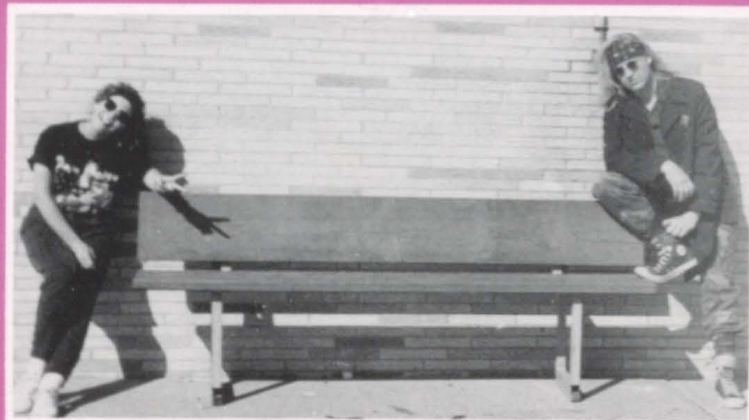

Traits are selected each year as just one more way the seniors can have fun and get involved with a school activity.

My goal for the 1991-92 year was to have more school involvement with the community. In the future, I hope to have graduates that are better prepared for the workforce.

- Dr. Overlander

# KICKING UP

The Wright City School District approached the 1991-92 school year with a dedication toward total involvement from both staff and community. We all pulled together so the students could get the most from our educational system.

We tried to encourage our students to have regular attendance, complete assignments, and participate in class. This is essential to a successful school year.

# RELAX AND RIDE

The bus drivers of Wright City put an emphasis on safety this year. The district offered many programs to teach drivers how to react to problems which could occur while transporting children. Once a month the drivers attended a safety meeting where representatives from the fire department and railroad explained the proper way to react to an emergency. School nurses went over the proper methods of assisting a child who became ill or injured while riding a bus. Drivers also became certified in CPR.

Behind the scenes, and often unrecognized, is the custodial staff of WCHS. Combined, the staff of two work a 17 hour day, one arriving at 6 am and the other leaving at 11 pm. Besides the daily classroom cleaning, they also spend Christmas break buffing floors and summer vacation moving everything in the building in order to be prepared for the next year.

"I enjoy the company and working with young people," said Ed Bohler, who is completing his tenth year.

# KICK BACK AND COOK

The Wright City High School cooks start preparing for the students each day at 7 am. They cook a meal to feed approximately 200-275 students a day. The cooks are Virginia Tomschin, cook for 19 years, Gladys Eversmeyer, who has been here 21 years, and Jennie Love who has worked 10 years. Their favorite foods to fix are hot rolls, french fries and potato bar.

This was the first year that Wright City has had a soccer team. Even though their overall record does not show it, it was a very successful season.

"We accomplished a lot. They started playing together

as a team and their attitude was good all season," stated head coach Harry Toll. "We lost the last game of the year 1-0 on a penalty kick. Overall they played a lot better at the end of the season than they did at the

beginning. They learned to play together as a team instead of individually. I think Wright City can expect an exciting soccer season in the upcoming school year."

# KICK BACK, RELAX, AND SWING

The 1991 softball season was a winning season with a record of 16-4. The girls won first in the Elsberry Tournament, took second in the WC tourney, and became District Champs at Elsberry.

"The most important part of our season," said pitcher Heather Williams, "was that we won as a team and lost as a team."

This year, the J.V. boys did great. They were 12-9. To help with the 12 wins they had three freshman: Dustin Ridder, Kenny Kohr, and Mike Ruppert. They also had 7 sophomores: Kyle Gerdeman, Darrin Martin, Eric Crump, Cornelius Blanks, Travis Schulte, Barclay Wood and Jason Johannpeter. The team was very successful this

year and are looking forward to playing varsity basketball. This will be the team of the future.

The varsity boys were 13-13 this season. They played a good game and the fans enjoyed watching. We will miss the two seniors that we are losing, Rowe Harlen and Maurice Kiner.

This year's J.V. Girls Basketball team were very successful as they posted a 14-1 record. Their only loss was to Wentzville. They also won 1st place in the Principia Tournament. Freshmen Leah Groepper said, "The team was a good, well rounded team." She also said, "Mr. Elefritz was a good coach."

The girls Varsity basketball team for the 1991-92 season were a young team without much experience, but they worked very

hard. Losing all of their games to their toughest team, Wentzville, they posted a 9 and 14 season. They lost 5 games by 5 points or less. Coach Sue Wright said, "We should have a good team next year because both point guards will be returning." She also appreciated the great senior leadership by Jennie Tremear, Jennifer Justice, Lisa Cate, Karen Cronk, and Heather Williams.

# NHS KICKS UP INSPIRATION

This year the National Honor Society had 16 members, eleven seniors and five juniors. To be inducted into NHS students must have a 3.25 grade point average. Students receive applications and teachers fill out evaluation forms about the students. If 80% of the evaluations are passed the student's application then goes to a board of three teachers who decide

whether the student receives a letter of acceptance or rejection.

After getting in NHS, students work together to help in fund raising projects, such as selling posters. NHS also sponsored the food drive, and collected money for the heartfund. This year NHS also sponsored a scholarship to be awarded to a WCHS student. Mrs. Ward, NHS sponsor said

"NHS students are very dedicated and hard workers."

Hi-Step is group of high school students teaching elementary programs. The students go into classes and teach for about forty-five minutes on subjects such as friendships, self-esteem, confidence and decision making. This year there are two levels in Hi-step. The advanced level is for returning members and the beginning level is for new members.

To participate students must have at least a C+ average in all classes, extracurricular activity involvement, desire to help young people and the ability to influence young people in positive ways.

"The kids are excited to see us and give us their full attention," said junior Davina Bradshaw.

(Left) SPANISH CLUB MEMBERS WITH ELEMENTARY STUDENTS (Below Left) ELEMENTARY STUDENTS BEAT A PINATA (Below) GWENN SIMMS AND CHRISSEY WELLS.

The Spanish Club has had a lot of involvement with the elementary school this year. At Christmas, the club helped the students to celebrate by breaking colorful handmade pinatas . They also taught the second graders Spanish songs and phrases. During festival time, the club aided the youngsters in making mask and parading for the school.

Members also took part in field trips to a local Mexican restaurant for lunch and the St. Louis Art Museum.

## A Look Behind The Scenes

Cheri Joyce, the Central Office Administrative Assistant, is a very busy person. Along with helping the superintendent, she is also the advertising editor of the **Wright City Connection**, one of four people in charge of Partners for Progress, and deals with public relations. Cheri helps to get projects in our school such as Drug Free Schools and Community, The Eisenhower Program, Chapter 2, and the Administrative Federal and State programs. Also, Cheri helps to get grants such as the Industrial Technology Grant at the high school and the Video Grant at the Middle School. The STAFF Incentive program, which rewards the faculty for perfect attendance, is also handled from her office. A bit of a celebrity, Cheri talks weekly on a radio program called Chalk Talk. The purpose of the program is to inform listeners about the WC School District. "I'm excited about the changes of the school district. I'm also glad to be part of a very progressive school." Cheri Joyce said proudly.
